To Whom It May Concern:

This is to inform you that effective July 1, 2008 all title applications with a lien recorded will require payment of a \$1.50 fee charge payable before the application will be accepted. This charge will apply to **all** lienholders regardless of their business location (in-state or out of state) The law says that for any vehicle subject to a lien, the county treasurer shall collect from the applicant a \$1.50 service fee for processing and mailing a copy of the title application to the lienholder. If the application is for a secured or a secure/reissue title, you must submit \$11.50 per application or the county treasurer will reject the title application. Copies of the receipt will be mailed to you using the current procedures utilized by the County Treasurers.

New Information for all lienholders

Effective July 1, 2008, the Department of Revenue will no longer accept any secured or secure/refinance application at the Docking State Office Building. Those applications will be returned to the lienholder with instructions to go into their local county treasurer's office to make application for title.
