My best and I traveled all the way from Tucumcari, NM to Kansas City Kansas to a Christian conference that was held here on July 11-15. The place was very huge and fit so many people. The experience and getting to see this place was awesome. But what I loved the most was being able to praise God.

There is plenty of room to sit, I didn't feel crowded. Never had to wait in line for the restroom. The parking lot is well kept up. The only complaint was having to wait in line 45 minutes to get inside.
